Name: Tommy Hammer
Legal Status: US Citizen
Age: 35
Base of Operations: Mobile

Tommy Hammer was a Las Vegas boxer who fell in with the wrong crowd. One night while walking home from a fight, Tommy was ambushed by local mobsters. They broke his hands and knees with a sledge-hammer. Left for dead in the desert, Tommy had a vision of a man who offered to spare his life in exchange for a lifetime of service. When Tommy woke up, his hands and knees were fully healed. Tommy paid a visit to the mobsters. Someone among them was not who they said they were and Tommy exploded into a flaming skeleton. The battle that followed left the mobsters dead and one demon out of his servants.
